STATINTL

Agenda

The Senator has indicated an interest in the Agency and its role in the Government structure. It is suggested that the Director brief him in these areas. The balance of time can be spent answering any questions which the Senator may have regarding the Far East and economic matters. It is possible that he would like a briefing on the Soviet space program toward the end of the meeting or immediately thereafter. These are subjects of interest to him in connection with his assignments to the Banking and Currency and Aeronautical and Space Sciences Committees.

Note

Senator Percy will be an active participant at the upcoming conference (27-30 January) at Enstone, England, which is sponsored by the Ditchley Foundation. This year's conference is directed to U.S. congressmen. The subject is "The Future of Europe and the Atlantic Community." Other invitees include: Senators Brewster, Fong, Kennedy (Mass.), Miller and Tydings, and Representatives Brooks (Texas), Horton, Ottinger, Pike, Quie, Rumsfeld, Schneebeli, Udall and ex-Representative Ellsworth.
